Position 3

Test Piece The Dark Side of the Moon Saturday 18th June 2011

Opening, effective, nice dynamics but some notes don't speak easily also at [A] [D] fine playing, also irregular basses great [E] nice cornet & Euph.

[I] good tempo and well balanced

[K] all mf should be equal. [N] Sweet Solo Cornet fragile but delicate phrasing [P] nice Flugel + Trombone later horn & Euph. and a great entry to [R]

[S] some intonation problems here (~~keep~~ tiredness?) rather bad split just before [T] [U] the 4 against 8 is not good. There is some rushing in cornets

[Z] seems a bit under 4. percussion very effective. A good ending, but not always in tune.
